DIRECTOR'S REPORT  
2007-2008**

*“The Heart of a Volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others”*

Dear Members of CJW Clubs,

It is with deep appreciation & immense pride that I thank you for all your efforts during the past year. As my theme represents, this has been an amazing year of making a difference in the lives of others. As described in the President's Reports, we helped to change lives in our communities with so many wonderful service projects and donations. The power of our statewide organization is truly amazing.

I received President's Reports from all 49 Junior Clubs and 8 Juniorette clubs. These reports provide CJW with information on almost 1,300 members changing lives across the State of Connecticut, our nation and the globe. Below is a summary of those efforts:

	<b>Junior Clubs</b>	<b>Juniorette Clubs</b>	<b>TOTAL</b>
<b># Clubs</b>	49	8	57

## Director's Report 2007-2008

My term as CJW Director has quickly passed. I traveled just under 8,000 miles visiting 46 Junior Clubs and 8 Juniorette clubs. I have attended numerous district and state project events. My theme, the heart, is reflected in the volunteer heart pins that were given to each club officer as I traveled around the state. I estimate that I distributed close to 250 of these pins. I also awarded 27 participation awards & 49 clubs met my Director's challenge. In addition, I'm pleased to announce the following achievements:

A committee chose the winner: Monroe Historical Society. The grant was given to move a mural from the Masuk High School to the new Edith Wheeler Memorial Library. The mural moving process took from April 2007 until November 2007 when the Artist David Merrill worked daily. In addition he spent time with adults and children who visited the site. The gift will be enjoyed at the library for years to come. The official dedication was held on April 6, 2008.*
