Their mission is “Change the rhetoric, change the results. Through our deeply positive messaging, we hope to give those aspiring civil servants a voice that their constituents hear, believe in, and trust.”

Breakfast Buffet/Cooking Contest

At Spring Conference, for those who weren't there and those that can't remember what was for dinner last night (like me!) we held a Kentucky Derby Hat Contest. It was without any doubt a HUGE SUCCESS! Everyone had a ball creating, wearing, and judging. The competition was a close one! **So what's next?** (Because I have learned that Juniors are quite competitive!)

This time....we are holding a cooking competition to make this conference a potluck breakfast!

We ask that EVERY member attending conference bring a dish for all to share. About 1 week before conference an email will be sent out to the contact email listed on the call with a head count. Please make enough, but yet know there will be other food. We want you to bring your MOST ORIGINAL, CREATIVE, YUMMIEST FALL DISH.

****District distributions are listed below****

Please visit cjw.org to find out your district

Charter Oak District – Egg Dish

Dogwood District – Potato/Vegetable Dish

Regal Monarchs District - Breakfast Pastries

S.H.O.R.E District – Fruit Dish

Wildbury District – Meat Dish

Tips: use fresh local ingredients, use your imagination and creativity, get inspired *pintrest, google, sharing ideas with club members*

****Reheating of food will be available. No cooking will be allowed in the kitchen, only reheat and storing of food. Please plan accordingly****

Judging will be on the following categories:
originality, creativity, and taste!
